The Company reminds shareholders the Priority Offer may be closed early at the election of the MG1 Directors.

In order to participate in the Priority Offer under the Prospectus, shareholders should follow the instructions on the priority application form attached to or accompanying the Prospectus.

Subscriptions and Allocations

Under the Priority Offer, up to 10,000,000 MG1 Shares, in aggregate, (representing \$2,000,000 of the total MG1 IPO amount) have been set aside for Eligible Shareholders, as outlined in the Prospectus. Each Eligible Shareholder can apply for up to a maximum of 500,000 Shares under the Priority Offer. Eligible Shareholders will be allocated Shares under the Priority Offer at the discretion of the MG1 Board under the allocation policy set out in Section 6.5 of the Prospectus.

If MG1 receives applications from Eligible Shareholders under the Priority Offer for more than the aggregate of 10,000,000 Shares, MG1 intends to treat such additional applications as being made under the Public Offer component of the IPO, subject to such additional applications satisfying the minimum application size of 10,000 MG1 shares under the Public Offer.

While it is intended that as many Eligible Shareholders of Bryah as possible receive an allocation under the Priority Offer, there is no guarantee and neither the Company nor MG1 give any assurance, that all eligible Bryah shareholders will be allocated the MG1 Shares applied for. Eligible Shareholders are encouraged to submit an Application Form attached to or accompanying the Prospectus as soon as possible. We look forward to successful listing of MG1 by the end of May 2023.
